REMARKS

By this amendment, claims 1-20 will be pending in the application. By this amendment, claims 1-9 are amended to delete multiple dependencies, reference numerals and to better comport the claims with U.S. Patent practice. These amendments are not made for reasons of patentability, and are not to be considered narrowing amendments. Claims 10-20 are added for the Examiner's consideration. These added claims do not add new matter and find support in the original claims and in the specification at pages 1-5 and Figures 1 and 2. A revised Abstract is also attached hereto.

Applicants request examination on the merits. Please charge any deficiencies in fees and credit any overpayment of fees to Attorney's Deposit Account No. 19-0089.

Respectfully submitted,
